August 2016

Dear Sponsor,

It is time to renew your yearly sponsor sign pledge for September 2016 to September 2017. We greatly appreciate your support in maintaining the Roslyn Riders Clubs historical presence in our community. Your continued support helps us sustain our club by, paying for property taxes, insurance, and to support local community causes. Regular maintenance and upgrades to our grounds and clubhouse allow us to offer the use of our grounds and facility to other equine, community and private groups at no or minimal charge.

As we are looking to once again become a vibrant community gathering/recreation club that is so much a part of the history and future of this community, we have implemented some changes in how we manage sponsor signs and yearly pricing. We hope these changes are a benefit to you and the sustaining of the Roslyn Riders Club. *Please note the fee increase is the first increase in the 30+ years of providing sponsor signs and continues to be extremely reasonably priced compared to comparative high traffic locations.*

Detailed outline of changes and sign criteria are on the following page. If your board needs to be replaced a separate colored notice will be included in this mailing. If this notice is just for renewal, please return your check made out to the *Roslyn Riders* by September 30th 2016.

If you do not wish to renew your sign this year or have any questions please call.

We genuinely appreciate your past support and look forward to your continued support.
