

## Valued Sponsor –

Your sign has deteriorated and needs to be replaced this year with a new sign of your own.

We appreciate your past patronage, so to help you incur the cost of having your new sign fabricated we will forego your yearly rental/donation fee for this upcoming rental year (September 1<sup>st</sup> 2017 thru August 31<sup>st</sup>, 2018).

Please refer to and carefully read the instructions on the back of this sheet for sign renewal information.
